\*XDefoe The longitude at sea, not to be found by fir-

.714 or watches. But the only true method for discover-  
.B49L ing that valuable secret by the sun, moon or  
stars, and an exact time-keeper, with such nec-  
essary improvements, as have not yet been des-  
crib'd by any other person; and (with respect to  
the term of any ordinary voyage) may properly be  
call'd a perpetual motion. ... By Case Billings-

The first of these is the fact that the  
 government has been unable to raise the  
 necessary funds to meet its obligations.  
 This has been due to a variety of factors,  
 including the fact that the government has  
 been unable to collect the necessary taxes.  
 The second factor is the fact that the  
 government has been unable to borrow the  
 necessary funds from the international  
 community. This has been due to the fact  
 that the government has been unable to  
 provide the necessary collateral for the  
 loans. The third factor is the fact that  
 the government has been unable to attract  
 the necessary foreign investment. This has  
 been due to the fact that the government  
 has been unable to provide the necessary  
 guarantees for the investment.
